one woman one seed one hope for the future thayu nyumba peace my people wangari grew up in the shadow of mount kenya listening to the stories about the people and land around her though the trees towered over her she had loved them for as long as she could remember so strong so beautiful how the trees made her smile wangari planted trees one by one to refresh her spirit when the women came to her for help with their families she told them to do the same soon the countryside was filled with trees kenya was strong once more wangari had changed her country tree by tree donna jo napoli tells a story inspired by the life of 2004 nobel peace prize recipient wangari maathai that will touch the hearts and spirits of all who read it kadir nelson s stunning collage illustrations honor the spirit of a land and of the woman who saved it

this is the fourth volume sponsored by the united states board on books for young people following children s books from other countries 1998 the world through children s books 2002 and crossing boundaries 2006 this latest volume edited by linda m pavonetti includes books

published between 2005 and 2009 this annotated bibliography organized geographically by world region and country with descriptions of nearly 700 books representing more than 70 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children s literature like its predecessors it will be an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity

demonstrating the power of teaching global literature from a critical literacy perspective this book explores the ways that k 6 educators can infuse diverse texts into their classrooms and find support for their endeavours in teacher inquiry communities through carefully analyzed ethnographically informed portraits of classroom life alternating with teachers own accounts of their teaching and learning experiences it demonstrates how students are moved to question debate and take action in response to global texts this multi vocal work both emerges from and responds to tensions and debates related to the purpose and practice of literature education in a time of common core state standards

looking for a way to increase engagement differentiate instruction and incorporate more informational text and student writing into your curriculum teaching with text sets is your answer this must have resource walks you through the steps to create and use multi genre multimodal text sets for content area and language arts study it provides detailed information to support you as you choose topics locate and evaluate texts organize texts for instruction and assess student learning this guide is an excellent resource to help you meet the college and career readiness and other state standards

wangari maathai was a fierce protector of the environment and a courageous advocate for women s rights especially in her native country of kenya her journey from a girl of rural africa to college professor founder of the green belt movement and nobel peace prize laureate shows readers how little things can bring about big change

inspired by the 1 new york times bestseller she persisted by chelsea clinton and alexandra boiger a chapter book series about women who spoke up and rose up against the odds including wangari maathai in this chapter book biography by critically acclaimed author eucabeth odhiambo readers learn about the amazing life of wangari maathai and how she persisted when wangari maathai learned about how many trees had been cut down in kenya where she was from she was horrified so she founded the green belt movement and got friends family and even strangers to help her plant trees and respect the environment and she received a nobel peace prize for her work complete with an introduction from chelsea clinton black and white illustrations throughout and a list of ways that readers can follow in wangari maathai s footsteps and make a difference a perfect choice for kids who love learning and teachers who want to bring inspiring women into their curriculum and don t miss out on the rest of the

books in the she persisted series featuring so many more women who persisted including malala yousafzai oprah winfrey and more

the story of wangari maathai or mama miti as she came to be call who in 1977 founded the green belt movement an african grassroots organization that sought to conserve natural resources by replanting trees in 2004 she was the first african woman to be awarded the nobel peace prize

biografie über die friedensnobelpreisträgerin des jahres 2004 aus kenia und die geschichte ihres landes

wangari maathai ne reconnaît pas son kenya natal les arbres ont été coupés les rivières sont à sec face à la déforestation celle que les kényans surnomment affectueusement marna miti la mère des arbres en swahili a alors une idée simple mais grande le parcours de wangari maathai témoigne de la force de l engagement en faveur des droits humains cette même force unit amnesty international prix nobel de la paix en 1997 et tous ceux qui partout dans le monde défendent ces mêmes droits

the whole world has been talking about carbon credits carbon trading and emissions targets but not enough has been said about the people whose activities contribute to those emissions or about those who will be most affected by climate change especially women how do population dynamics affect greenhouse gases and climate change will urbanization and an ageing population help or hinder efforts to adapt to a warming world and could better reproductive health care and improved relations between women and men make a difference in the fight against climate change the linkages between population and climate change are in most cases complex and indirect but the nature of these linkages is becoming clear enough to arrive at the key recommendations of this report for mitigating climate change and aiding adaptation to it elicit a new level of engagement by governments in the areas of population and development provide access to reproductive health and actively support gender equality
